The Environmental Evolution

Chesser Chemicals has recognised the environmental evolution in the Health and Aged Care Industry, with a commitment to developing products with the highest environmental credentials.

Machine Dishwashing

Satellite Eclipse - Satellite Safelink Dispenser SCALE FREE

Satellite Eclipse is a caustic based automatic machine dishwasher liquid suitable for all water conditions.

HIGH

Satellite Probe - Satellite Safelink Dispenser

Satellite Probe is a rinse aid with an in-built descaler for use in commercial dishwashers. It reduces scale formation in rinse arms, improves drying time and leaves glassware and crockery with a sparkling finish.

LOW

Manual Dishwashing

Dish San - Satellite Ecoshot Dispenser

Dish San is a highly concentrated, premium manual dishwashing liquid with an in-built sanitiser that is tough on grease but gentle on hands.

LOW

Kitchen Cleaning

Sanidet Concentrate - Satellite Ecoshot Dispenser

Sanidet is a powerful detergent, cleaner, sanitiser giving you reassurance of day to day protection against germs.

LOW

Kitchen Sanitising

RTU Concentrate - Satellite Ecoshot Dispenser

RTU Concentrate is a concentrated, no rinse sanitiser for hard surfaces.

LOW

Housekeeping

Sanidet Concentrate - Satellite Ecoshot Dispenser

Sanidet Concentrate is a powerful detergent, cleaner, sanitiser giving you reassurance of day to day protection against germs.

LOW

Clearview - Satellite Ecoshot Dispenser

A concentrated glass & window cleaner which can be diluted up to 1:25 for removing soils, smudges & smear marks leaving a streak free finish.

MED

Omni Concentrate - Satellite Safelink Dispenser

A concentrated non-caustic alkaline heavy duty all purpose cleaner with a fresh floral fragrance designed to remove soiling from washable hard surfaces such as tiles, porcelain and vinyl flooring.

MED

Clear Fresh Concentrate- Satellite Ecoshot Dispenser

A concentrated acid based eco-friendly bathroom and shower cleaner designed to remove scale and soil from all washable hard surfaces found in wet areas leaving behind a fresh citrus scent.

LOW

Laundry

Satellite Break - Satellite Safelink Dispenser

A concentrated liquid laundry alkaline builder.

HIGH

Satellite Detergent - Satellite Safelink Dispenser

A concentrated low foaming liquid laundry detergent.

LOW

Satellite Peroxy - Satellite Safelink Dispenser

A low temperature colour safe liquid laundry bleach and destainer.

HIGH

Satellite Supremacy - Satellite Safelink Dispenser

A chlorine based liquid laundry bleach, for white bleachable fabrics only.

HIGH

Satellite Softener - Satellite Safelink Dispenser

A combined liquid laundry softener and sour.

LOW

Satellite Finale - Satellite Safelink Dispenser

An acidic liquid laundry souring agent.

MED
