Note:

CHESSER CHEMICALS Pty., Ltd. provides the information submitted in this Product Information Sheet based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

Product: CHESSER FRESH

Sanitiser Cleanser with Deodorising Ability.

FEATURES

- CHESSER FRESH is designed as a sanitiser, deodorant cleaner for areas needing strong deodorising such as toilets, waste bins, change rooms and shower blocks.
- CHESSER FRESH has very good deodorising properties and can make areas such as toilet blocks and portable toilets smell clean and fresh.
- The perfume in CHESSER FRESH matches that in Pan Fresh. This makes the product especially good when used to clean the floors and surfaces in portable toilets that use Pan Fresh in the bowl.
- Product is safe to use on any washable surface.

HOW & WHERE TO USE

CHESSER FRESH is recommended for use in hotels, motels, nursing homes, caravans, bars etc. CHESSER FRESH is a clear pink liquid with a strong fruity floral fragrance. It leaves a long lasting deodorant effect so the room smells clean and fresh.

Use at a dilution of 1:50 (½ cup in 6 litres water) for sanitising, cleaning and deodorising.

For Deodorising and light duty cleaning the concentration can be increased to 1: 100 (¼ cup in a bucket).

Use in a trigger spray 1:10 (50ml in a trigger spray) for soiled areas to 1:50 (10ml in spray) for general cleaning and sanitising.

Do not mix any soap, detergent or other chemicals with the product or deactivation of the sanitiser may occur.
