*CHESSER CHEMICALS Pty., Ltd. provides the information submitted in this Product Information Sheet based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.*

## Product: CRÈME CLEANSER

**Crème Cleanser is used to remove heavy soiling in kitchen and bathroom areas. It is ideal for removing soap scum deposits, grease and fat build ups.**

### FEATURES & BENEFITS

- Crème Cleanser is a white opaque liquid with a fresh lemon fragrance. Crème Cleanser is used to remove heavy soiling in kitchen and bathroom areas. It is ideal for removing soap scum deposits, grease and fat build ups, etc.
- Crème Cleanser combines a non-scratch calcite abrasive with a blend of detergents for effective safe cleaning on all surfaces in the kitchen and bathroom.
- With its fresh lemon fragrance and no dust it is much more pleasant to use than powdered abrasive cleaners.
- Crème Cleanser has been subjected to rigorous stability testing at elevated temperatures. The product is completely stable even after months of storage

### HOW & WHERE TO USE

- Crème Cleanser can be used on laminex, ceramics, cooker tops, saucepans, glass, baths, basins, and stainless steel.
- Either squirt onto a damp cloth and rub into the surface, or squirt directly onto the surface and rub in. Use Crème Cleanser sparingly as a little goes a long way, and if too much is used it will only create extra work in rinsing away.
- As well as being a great cleaner on all normal kitchen and bathroom surfaces, Crème Cleanser is also suitable for removing burnt on deposits off barbeque plates, saucepans, etc. Simply squirt onto the wetted surface and scrub with a scourer.

## SAFETY INFORMATION

**HAZARDOUS** according to the criteria of the Globally Harmonised System of Classification and Labelling of Chemicals (GHS).

**SIGNAL WORD:      WARNING**

**Emergency Response No: **CHEMWATCH** 1800 951 288**

## RECOMMENDED PPE

## Health hazards

**H315      Causes skin irritation.**  
**H319      Causes serious eye irritation.**
