Note:
CHESSER CHEMICALS Pty., Ltd. provides the information submitted in this Product Information Sheet based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

Product: D SOLV

Solvent-based quick breaking degreaser

FEATURES

- D Solv is gentle on paint work.
- Bug and tar remover.
- Ideal for use in commercial workshops.
- D Solv is a quick breaking solvent degreaser and will control hydrocarbon oil and grease in the grease arrestor and prevent discharge in effluent stream.
- D Solv will not adversely affect plastics and most decals

HOW & WHERE TO USE

- Brush undiluted D Solv onto the engine or machinery being cleaned. Leave for a short time, then hose clean.
- Place engine parts in a bath of D Solv for 15 minutes. Remove, drain off then rinse with clean water.
- D Solv rinses clean, leaving a dry, oil free finish.
