Note:
CHESSER CHEMICALS Pty., Ltd. provides the information submitted in this Product Information Sheet based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

Product: LEMON SANITISER

Lemon sanitiser is a clear yellow liquid with the refreshing tang fragrance of lemons. It is a sanitiser and deodorant cleaner recommended for use on all washable surfaces.

FEATURES

- Lemon sanitiser is a very economical product to use and is ideal for use in areas where staff may not measure accurately.
- It is a combined cleaner, sanitiser and deodorant so jobs are carried out in one simple operation.

HOW & WHERE TO USE

- For sanitising use at a dilution of 1:20 (1 cup in 5 litres of water). Do not mix any soaps, detergents or other chemicals with Lemon sanitiser or deactivation may occur.
- For deodorising and light duty cleaning the dilution may be increased up to 1:40 (1/2 cup in a bucket).
