It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.*

## Product: **LIQUID LAUNDRY Eucalyptus** **LIQUID LAUNDRY Floral**

### DESCRIPTION

LIQUID LAUNDRY is available in two options either **Floral** or **Eucalyptus**. Both products are effective detergents designed for use in top loading washing machines or for hand washing.

LIQUID LAUNDRY Eucalyptus is a clear green viscous liquid with the freshness of pure eucalyptus oil.

LIQUID LAUNDRY Floral is an opaque blue liquid with a fresh floral perfume that matches the perfume used in Chesser Fabric Softener.

### FEATURES

- Both products offer a good all round cleaning performance at a value for money price. The complex blend of five detergents gives good cleaning in cold or warm water of a wide range of soils from grease and fat to clay and blood.
- Stubborn dirt and stains can be pre-treated by rubbing the neat product in first.
- Because they dissolve rapidly, and are not strongly alkaline, Liquid Laundry detergents are ideal for hand washing.
- Both detergents are also phosphate free and rapidly biodegradable so they help prevent any damage to the environment.

## SAFETY INFORMATION

### LOW Hazard Rating

Chesser Traffic Lights Hazard indicator system

**HAZARDOUS** according to the criteria of the Globally Harmonised System of Classification and Labelling of Chemicals

**SIGNAL WORD: DANGER**

#### Health hazards

H318

Causes serious eye damage
