Note:
CHESSER CHEMICALS Pty., Ltd. provides the information submitted in this Product Information Sheet based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

Product: RADIANT TYRE SLICK

Radiant Tyre Slick is a clear colourless liquid with a mild alcohol odour. It is designed to quickly enhance the appearance and shine of tyres. Radiant Tyre Slick is ideal for car show rooms, taxis, rental car agencies and funeral directors.

FEATURES

- Radiant Tyre Slick is extremely easy to use. Unlike coloured tyre dressings it can be rapidly applied to the tyre as any runs or over spray will not affect paint work or wheels.
- Tyre Slick is water based. Any brushes or equipment can be simply rinsed in water and allowed to dry after use.

HOW TO USE

- Pour a quantity into a small bucket. Apply to clean tyres with a wide brush and allow to dry.
- Do not smoke or use near any ignition sources as it is flammable
