*CHESSER CHEMICALS Pty., Ltd. provides the information submitted in this Product Information Sheet based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.*

## Product: WASH AND WAX PREMIUM

**WASH AND WAX PREMIUM is an opaque green viscous liquid with very little odour. It is designed as a cleaner for trucks, cars, buses, etc., but is also very useful as a general multipurpose cleaner for any washable surface.**

### FEATURES

- WASH AND WAX PREMIUM is a highly concentrated product which only requires a small amount to be used as it will go a long way.
- WASH AND WAX PREMIUM contains a high level of wax to leave behind a protective coat of wax on the vehicle and gives it a long lasting gleam and shine.
- WASH AND WAX PREMIUM is very gentle to use on most surfaces.

### HOW TO USE

- WASH AND WAX PREMIUM may be used to clean vehicles by spray on, spray off application, or with a broom or sponge.
- If spraying adjust sprayer to spray on at a concentration of around 1:50, leave for a few minutes, then rinse off.
- If using with a broom or sponge use at 1:200 (5ml per litre of water).
- As a multipurpose cleaner for all washable surfaces use at 1:200 for general cleaning. Increase concentration if soiling is heavy.
